我的承诺 给力沙登！

### 结缘沙登

十八年前迁居至沙登,活跃于沙登社区活动。

史里肯邦安联邦村委会委员之一,尽心竭力为沙登社区和新村的人民服务。

教育乃建国之本,故积极参与华教发展,现任沙登新村国民型华文小学一校家协协会署理主席,沙登岭华文学校董事部成员。

### 我的心声

十年岁月变迁,雪州政府由最初的民联到后来的希望联盟执政,出现族群矛盾,宗教歧见更趋两极的现象,对大马多元社会造成严重威胁。现在是时候还雪州一片和谐的新气象了!

我爱沙登 和你同在!

- Serdang's livelihood, flourish together.
- Serdang's crime, tackle together.
- Serdang's New Village, fortify together.

*My promise,  
for the betterment of Serdang*

I considered myself a Serdang folk. I have lived in Serdang ever since my first job here and I'm constantly active in the local community.

Being a member of the JKKK Seri Kembangan, I'm dedicated to serve the Serdang community.

I believe that education is the foundation and the founding of the country. Therefore, I actively participate in the development of Chinese education. Currently, I am the deputy chairman of the Parents and Teachers Association of SJK (C) Serdang 1, a national-type primary school in Serdang new village, and a board member of the Board of Governors of SJK(C) Bukit Serdang.

Serdang is my home for the past 18 years. Therefore, I'm truly concern about the development of Serdang. I have high hopes of building a better Serdang socio-economically. I have many plans that I want to carry out for the welfare of the people here. Eg. I intend to ease the traffic congestion in Serdang; boost the income of the Serdang community by making it a tourist attraction, helps the poor and combat crimes and etc.

If you elect a candidate based on party, there's nothing that I can say to change your mind set. However, I do hope that you can vote wisely as I care about Serdang. My heart lies in Serdang. I don't just talk, but I intend to walk the talk and whatever that I do, I do it for the welfare of the Serdang community. That's my main priority.

Regardless of the outcome of the election, I promise to myself that I'll always dedicate my life to serve the Serdang community.

I hope that I can realize my dream and together we create a civilized, harmonious, comfortable and livable home for the Serdang constituency.
